

**David Grossman Speaker Introduction:**

For over 30 years, David Grossman has helped leaders turn effective leadership and communication into a competitive advantage—driving engagement, productivity, and business results.

An award-winning author, David's latest book, *The Heart Work of Modern Leadership*, is an Amazon No. 1 Best Seller—and is being praised as a leadership book that “sits comfortably beside” some of the most respected leadership books today, including Brené Brown's *Dare to Lead* and Simon Sinek's *Leaders Eat Last*. His leadercommunicator™ blog has been ranked #1 in communications by Feedspot ten years in a row.

He's founder and CEO of The Grossman Group—an award-winning leadership and communications consulting firm celebrating more than 25 years in business.

The Grossman Group has worked with many notable companies, including Abbott, DHL, Lockheed Martin, McDonald's, and Stanley Black & Decker, among others.
